Nissan Forklift

Nissan prides itself on achieving overall customer satisfaction when their buyer is enjoying one of their numerous trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with strong manufacturing principals, Nissan Forklifts supply a few of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to keep up with worldwide lift truck demands. Committed to offering consumer support, the company has four independent production facilities that permit them to persistently adapt to their clients continually evolving desires by providing a range of innovative ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are devoted to the design, manufacture, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using systems and procedures that limit their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their consumers demand while being an environmentally responsive organization.

Nissan is assured that they will be capable of addressing any consumer queries or considerations. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
